

Identifizieren der Menge mit 100 Blöcken

Name:

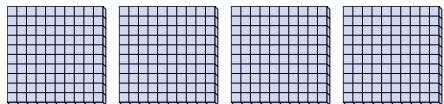

Verwenden Sie die Blöcke, um die Gesamtmengen zu bestimmen.

Bsp)

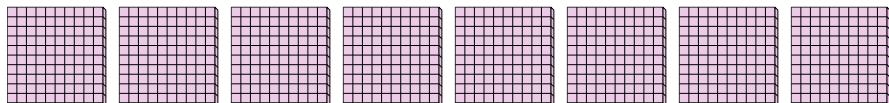

$$7 \text{ hunderten} = 70 \text{ zehnern} = 700 \text{ einern}$$

1)

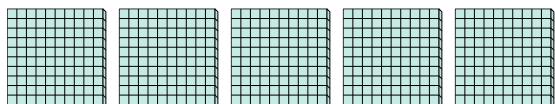

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

2)

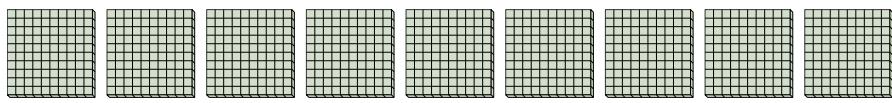

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

3)

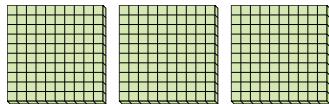

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

4)

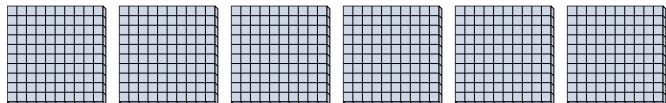

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

5)

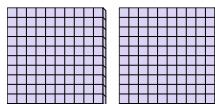

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

6)

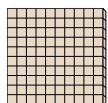

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

7)

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

8)

$$\underline{\quad} \text{ hunderten} = \underline{\quad} \text{ zehnern} = \underline{\quad} \text{ einern}$$

Antworten

Bsp. 7 70 700

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

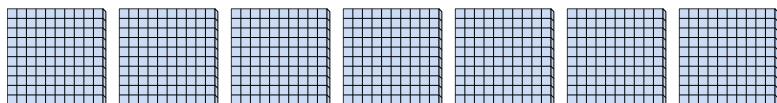

Identifizieren der Menge mit 100 Blöcken

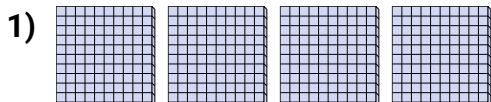

Name: **Lösungsschlüssel**

Verwenden Sie die Blöcke, um die Gesamtmengen zu bestimmen.

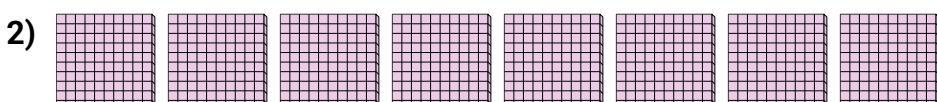

Bsp)

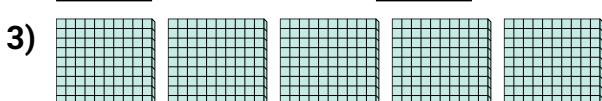

$$7 \text{ hunderten} = 70 \text{ zehnern} = 700 \text{ einern}$$

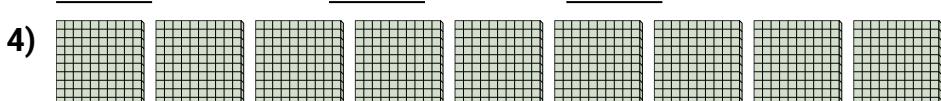

$$4 \text{ hunderten} = 40 \text{ zehnern} = 400 \text{ einern}$$

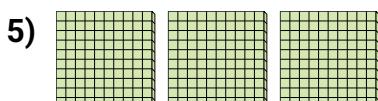

$$8 \text{ hunderten} = 80 \text{ zehnern} = 800 \text{ einern}$$

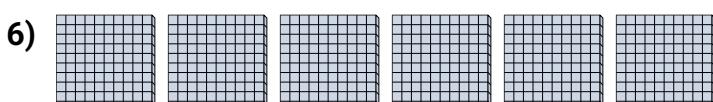

$$5 \text{ hunderten} = 50 \text{ zehnern} = 500 \text{ einern}$$

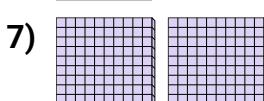

$$9 \text{ hunderten} = 90 \text{ zehnern} = 900 \text{ einern}$$

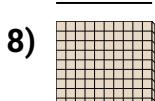

$$3 \text{ hunderten} = 30 \text{ zehnern} = 300 \text{ einern}$$

$$6 \text{ hunderten} = 60 \text{ zehnern} = 600 \text{ einern}$$

$$2 \text{ hunderten} = 20 \text{ zehnern} = 200 \text{ einern}$$

$$1 \text{ hunderten} = 10 \text{ zehnern} = 100 \text{ einern}$$

Antworten

Bsp. **7 70 700**

1. **4 40 400**

2. **8 80 800**

3. **5 50 500**

4. **9 90 900**

5. **3 30 300**

6. **6 60 600**

7. **2 20 200**

8. **1 10 100**
